Welcoming event

In order to welcome all exchange students, CESUGA organizes a welcoming event prior to the beginning of classes.

This session offers a first encounter with the Spanish language, a tour of the installations and information on the services available as well as the most relevant academic aspects.

All the details will be notified via email once the student has been accepted as an exchange student at CESUGA.

Spanish course for International Students

CESUGA offers Spanish courses for international students. The objective is to facilitate the incorporation of students who come from other countries in order to take advantage of their stay and to enrich their experience.

The courses are taught during the semester and there will be an evaluation of the level of Spanish language students have reached throughout their study.

Buddy Program

Erasmus Student Network (ESN) is one of the largest European network of students, founded in 1989 to support and develop international exchange programs. The Buddy Program was created by ESN to facilitate the incorporation of international students at the University and the country of destination.

Incoming international students can request a 'Buddy' (a current CESUGA student) who will provide assistance before and after their arrival in the city.

Buddy Program objectives:

- Integration of exchange students at the university.
- Helping exchange students to adapt to the Spanish academic and social life.

- To improve foreign language proficiency for both.
- To meet new people from different countries, to learn their language, customs and culture.

Buddy tasks:

- To help exchange students as much as they possibly can.
- To meet their foreign partners and show them how to get around the city and campus.
- To help exchange students in finding accommodation.
- To help them integrating into the youth and university culture of the city.
