Welcoming event

In order to welcome all international students, CESUGA organizes a welcoming event prior to the beginning of classes.

This session offers a first encounter with the Spanish language, a tour of the school's premises and information on the services available as well as the most relevant academic aspects.

All the details will be notified via email once the student has been accepted as a student at CESUGA.

Spanish course for International Students

CESUGA offers Spanish courses for international students. The objective is to facilitate the incorporation of students who come from other countries in order to take advantage of their stay and to enrich their experience.

The courses are taught during the semester and there will be an evaluation of the level of Spanish language students have reached throughout their studies at CESUGA.

Buddy Program

The Buddy Program was created to facilitate the incorporation of international students at the University and the country of destination.

Incoming international students can request a 'Buddy' (a current CESUGA student) who will provide assistance before and after their arrival in the city.

Buddy Program objectives:

1. To integrate international students at the University.
2. To help international students in adapting themselves to the Spanish academic and social life.
3. To improve foreign language proficiency for both students.
4. To meet new people from different countries, and to learn their language, customs and culture.

Buddy tasks:

1. To help international students as much as they possibly can.
2. To meet their foreign buddies and show them how to get around the city and campus.
3. To assist them in finding accommodation.
4. To help them integrating into the youth and university culture of the city.

If you are an Incoming student and you are interested in applying for the assistance of a student Buddy, you can contact studyabroad@cesuga.com
